

Stephenville Athletic Booster Club

May 20, 2018

Dear Friend of Stephenville Athletics & SHS Alumni,

The Stephenville Athletic Booster Club will be hosting the Robert Burns Blue and Gold Golf Tournament on July 28th at Legends Country Club. This tournament is to raise money for students involved in athletics, facility improvements, equipment and athletic recognition and accomplishments. The tournament format is a four-person scramble.

The reason for this letter is to request your participation in helping us by contributing one or more of the following items:

- Silent Auction Items
- Hole Sponsorship
- Enter a Team

In return for your support of the tournament, your company's name will be distributed to all the golfers, athlete's parents and school administration. Recognitions and acknowledgments of your contribution will be given top priority.

SABC continues to serve our student athletes as they pursue their goals and dreams in each sport. With your generous donations the coaches and athletic trainers have been able to purchase weight room equipment for the HJH, an industrial fan for dressing rooms, pole vault poles, golf bags, "Shoot A Way" equipment for basketball, tents for track & tennis, and much, much more.

This year we are focusing on bringing back as many SHS alumni as possible to join us for the tournament. We would appreciate you passing this information on any alumni or contact us with their information.

If you would like to donate an auction item, sponsor a hole or enter a team, complete the form attached. If you have any questions you will find my contact information below.

Respectfully,

Shelly Roberts
Tournament Director
