The board agreed to publish amended bylaws for formal adoption at the next MGA meeting. Jason Smith is working on acquiring a new email address for the MGA to accommodate some internal marketing changes the golf course may be making. This will not affect members who currently receive email. Jason and Wendell will meet with Justin Haschke to insure the MGA is current with all tax laws. The board discussed potential for honoring lifetime members of the MGA at the yearend celebration. Board directors and members approved a sample broken tee collector. The group agreed to have a workday next month to construct approximately 40 units for all tee markers on the par 3 holes. We decided on 40 based on the immediate need, to have extras, and on the low costs to build.
